### Session 2: Process of Registration

Duration: 3:04 Minutes

#### Process of registration of CCI

In the previous session we had a detailed discussion about the mandatory registration of CCIs. Let's now learn the process of registration.

#### Registration of institutions:

**As per (Section 41, JJ Act, 2015; and Rule 21 of the JJ Model Rules, 2016),**

- All institutions, whether run by a State Government or by voluntary organisations or NGOs, which are meant, either wholly or partially, for housing CNCP or CCL, shall be registered under this Act within a period of six months from the date of commencement of this Act, regardless of whether they are receiving grants from the Central Government or the State Government or not.
- Institutions having valid registration under the JJ Act, 2000 on the date of commencement of this Act shall be deemed to have been registered under this Act.
- The State Government shall grant provisional registration of CCIs within one month from the date of receipt of application for a maximum of six months, in order to bring such institutions under the purview of the Act.
- If the said institution does not fulfil the prescribed criteria for registration, within the period specified, the provisional registration shall stand cancelled.
- If the application for registration is not disposed of within six months by any officer or officers of any State Government, it shall be regarded as dereliction of duty.
- The State Government may not grant provisional registration where adequate facilities do not exist in the institution applying for registration and the State Government shall issue an order before the expiry of one month from the date of receipt of the application that the institution is not entitled for even provisional registration.
- The period of registration of an institution shall be five years, and it shall be subject to renewal every five years.
- All institutions shall be bound to seek renewal of registration three months prior to the expiry of the period of registration.
- When an institution ceases to be an institution registered under the Act or has failed to apply for registration within the time frame laid down in the said provision or has not been granted provisional registration, the said institution shall be managed by the State Government or the children placed therein shall be transferred by the order of the Board or the Committee, to some other institution.

- The State Government may, after following the procedure, cancel or withhold registration of such institutions which fail to provide rehabilitation and reintegration services as specified in Section 53 of the JJ Act.
- Any CCI registered under this Section shall be duty bound to admit children, subject to the capacity of the institution, as directed by the Committee, whether they are receiving grants from the Central Government or the State Government or not.
- Ensuring that CCIs set up under separate categories are all registered separately, even if run by the same NGO or voluntary organisation.
