

## Module 7 – Social and Behaviour Change- Child Protection

### Session 2: Introduction

Duration: 0:37 minutes

### Session 2: Behaviour change process and supportive learning environment

Welcome to session 2 of Module 6. At the end of this session you will be to:

- list the different steps involved in the behaviour change process
- list the barriers that could occur at each stage of the change process
- describe what is supportive environment
- list the knowledge, skills and values/attitudes that a good communicator should have
- understanding social Inclusion and its Importance in Social and Behaviour Change

Let us begin the session with an activity.
